

Pascal Benjamin's journey into electronic music began in his youth, thanks to his father's influence, nurturing a profound connection with electronic music. By the age of 27, Pascal had already launched his music career with releases on renowned labels such as Yoyaku, Constant Black, Slapfunk, Eastenderz and Botanic Minds, solidifying his presence in the underground scene. Now, he's taking the next exhilarating step in his artistic evolution with the birth of Scala Muziek. With Scala, Pascal is poised to ignite his own groove in electronic music, honoring the passion passed down from his father. Welcome to the captivating world of Scala.
